SENATE CHAMBER.

Monday, June 16, 1980.

The Senate meets pursuant to adjournment and is called to order by the Honorable James C. Green, Lieutenant Governor.

Prayer is offered by the Rev. Edgar Byers, Minister of Western Boulevard Presbyterian Church, Raleigh, as follows:

"Almighty and eternal God, we thank You for our Country. We are grateful for her hills and valleys, her fertile soil, her trees, her plains and mountains, her people. Especially do we thank You for our fathers, who seeking a new life, dared heavy seas to come to these shores. We are grateful that our Country was founded in Your Name. We would not forget You now. Forgive us if we seek material power and material influence alone. Forgive us if in our prosperity we have condescended to others. Enable us to heed the admonition that unless the Lord build the house, whether it be our individual homes, the houses of our local, state and federal government, they who build it labor in vain.

"We now pray for the leaders of our State gathered here. Give them direction that they may express in word and deed the spirit of justice. Guide them in discharging their duties that honorable decisions may be reached.

"We commend our Nation to Your care. May she trust in You. May our Nation be great in Your Name and may all those gathered here say — amen. AMEN."

S. R. 1096, A SENATE RESOLUTION AUTHORIZING THE LEGISLATIVE RESEARCH COMMISSION TO STUDY THE AGE AND TRAINING REQUIREMENTS FOR SCHOOL BUS DRIVERS.

Whereas, only ten states allow 16 year olds to drive school buses; and

Whereas, statistics recently released by the Department of Transportation indicate that the younger the school bus driver, the more likely he or she is to have an accident; and

Whereas, the citizens of this State, especially the parents of school children, are becoming increasingly concerned about school bus safety;

Now, therefore, be it resolved by the Senate,

Section 1. The Legislative Research Commission, through its Committee to Study Drivers' Education and School Bus Drivers' Programs, may study the age and training requirements for school bus drivers.

Sec. 2. In conducting this study, the Legislative Research Commission should consider the following questions:

(1) Should the State continue to allow 16 year olds to drive school buses, or should a higher minimum age be required?

(2) What driving experience, if any, should be required of school bus drivers?

(3) What special training, if any, should school bus drivers be required to undergo?

Sec. 3. The Legislative Research Commission may report its findings and recommendations to the 1981 Session of the General Assembly.

S. R. 1101, A SENATE RESOLUTION HONORING SENATOR JULIAN R. ALLSBROOK FOR HIS LONG AND DISTINGUISHED SERVICE TO THE STATE OF NORTH CAROLINA AND TO THE NORTH CAROLINA STATE SENATE.

Whereas, Julian R. Allsbrook has suffered an injury which has made it impossible for him to attend the 1980 Adjourned Session of the 1979 General Assembly; and

Whereas, Julian R. Allsbrook has been elected twelve times to the North Carolina State Senate (and one time to the State House of Representatives), and is now Dean of the Senate in terms of length of service as well as in love and respect of his fellow Senators; and

Whereas, Julian R. Allsbrook has always been an active, energetic, courageous leader, from the days of his service as President of The University of North Carolina Law Student Body in 1923-24 to the present time and throughout his distinguished career in the North Carolina Senate, wherein he has particularly dedicated himself to promoting better services and programs in the fields of public health and recreation, education, and the arts, while constantly keeping an eye on the development of statutory law and procedure, and Julian R. Allsbrook generally has rendered such great service and received so many honors from a grateful citizenry that it is impracticable to list them all; and

Now, therefore, be it resolved by the Senate:

Section 1. That the membership of the North Carolina Senate hereby expresses to Julian R. Allsbrook its sincere regret that he is temporarily sidelined from the contests of the day, and wishes for him a speedy and complete recovery, and further wishes to express its sense of loss in the temporary absence of its Dean, whose vacant chair signifies a loss of wisdom, vigor and courage, which has been in many years past a source of strength to the Senate as a whole, and of constant friendship and help to each Senate member.

Sec. 2. That the Senate wishes to commend Julian R. Allsbrook for his long and faithful service to the Senate, to the State of North Carolina, and to the cause of freedom for mankind.

I am overwhelmed by the love and affection and concern that all the membership—and especially the officers and assistants in the Senate—have shown me during a most trying and difficult time.

No matter how bad a situation may be, I think we can always thank God for the fact that it could have been much worse.

I am grateful for the excellent care that I have and am receiving here at St. Mary's and hope it will not be long before I can return to our own great state and to the service of the people I represent.

**SOUTHERN LEGISLATIVE CONFERENCE
of the
COUNCIL OF STATE GOVERNMENTS**

**SENATOR KENNETH C. ROYALL, JR.
CHAIRMAN**

The Council of State Governments is a joint agency of all state governments—created, supported, and directed by them. It conducts research on state programs and problems; maintains an information service available to state officials and legislators; issues a variety of publications; assists in state-federal liaison; promotes regional and state-local cooperation; and provides staff for affiliated organizations.

On July 20, 1979, at the 33rd Annual Meeting of the Southern Legislative Conference of the Council of State Governments, Senator Kenneth C. Royall, Jr., Majority Leader of the North Carolina Senate for the 1979 Session, was elected in absentia to serve as Chairman of the Southern Legislative Conference for the 1979-1980 year, which includes the following States: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, West Virginia, and Puerto Rico.

The following is the Chairman's Report delivered by Senator Royall to the 34th Annual Meeting of the Southern Legislative Conference meeting at the Greenbrier in White Sulphur Springs, West Virginia on August 14, 1980.

THE CHAIRMAN'S REPORT

Last July, the Southern Legislative Conference's annual meeting was held in Louisville, Kentucky. I was not able to attend, because I was recovering from a heart attack.

I sincerely appreciate your electing me chairman for the Conference's year 1979-80. Despite a number of the problems that we have had to face during my chairmanship, I would like to thank you for giving me the opportunity to have served as your Chairman.

Please bear with me for 15 or 20 minutes, I will discuss the problems we have encountered. Some remain to be resolved. However, it is clear to me that the issues with which this Conference has had to deal during the past year made it stronger. Frankly, the ideas and issues pushed by this Southern Legislative Conference in 1979-80 have made the regional conferences of the West, the East, and the Midwest stronger as well.

The future of the Council of State Governments is a question mark. I cannot see into the future, any more than can any of you. I do not know what the outcome may be for the Council of State Governments as a national organization. I do not know what ties the Southern Legislative Conference may or may not have with CSG in Lexington. That will be determined by the states of our Conference.

But I can tell you this, and I believe all of you will agree. The Southern Legislative Conference is here to stay!

The Southern Legislative Conference will continue to function as our organization. Of that I am sure!

This is the Southern Legislative Conference's 34th annual meeting, and is the first time we have met in West Virginia. On behalf of the Conference, I would like to thank Senator Carl Gainer and Delegate Marion Shiflet, our Host Cochairmen for having us here at the Greenbrier, and I would like to acknowledge the fine work of Earl Vickers and the other Host State staff members.

While much attention during my chairmanship has focused on SLC-CSG relations, there have been many regular Conference activities. Our nine study committees have had their own agendas.

Each study committee will report to you on Saturday. Therefore, I shall not pre-empt the committee chairmen by reporting to you on their committees' activities.

However, at this time, I'd like to name the committees and their chairmen:

Agricultural and Rural Development Committee—Representative Donald Blandford, Kentucky.

Consumer Protection Committee—Senator Perrin Purvis, Mississippi.

Criminal Justice Committee—Senator Thomas V. (Mike) Miller, Jr., Maryland.

Energy Committee—Senate President Pro Tem Knox Nelson, Arkansas.

Environmental Quality and Natural Resources Committee—Delegate J. W. (Billy) O'Brien, Virginia.

Federal Preemption Committee—Senate President Mike O'Keefe, Louisiana.

Fiscal Affairs and Government Operations Committee—Representative T. W. Edwards, Jr., South Carolina.

Human Resources and Urban Affairs Committee—Senator Clovis Bryant, Arkansas.

Transportation—Representative C. M. (Hank) Hancock, Kentucky.

We appreciate the leadership of these individuals during the past year.

Also, let me thank our vice chairman, Representative Mark O'Brien of Kentucky, for his service and assistance. Among Mark's responsibilities has been service as the chairman of the new Southern Legislative Conference Budget Committee.

Now, let me report to you on several matters.

First, let me update you on the status of the Southern Legislative Conference's relationship with the national Council of State Governments.

Last July in Louisville, Bill Osborne, our Conference Secretary at that time, reported to the SLC Executive Committee on certain issues that posed significant problems for the Southern Legislative Conference. These problems concerned our staffing, budget, and future effectiveness. In response to that report, the SLC Executive Committee notified Mr. Pete Page, CSG's Executive Director at that time, that the Southern Legislative

Conference objected to any changes in our Southern Office unless we initiated those changes. Also, the SLC Executive Committee called on CSG's Chairman to appoint a special committee to evaluate Mr. Page's performance. In response, an Evaluation Committee was established.

Frankly, until Mr. Osborne's July 17 report to the Executive Committee in Louisville and until a meeting which Representative John Bragg and Senator Carl Gainer had the next day with Mr. Page, many members of the SLC Executive Committee did not realize how little power we had over our Conference staff in the Southern Office. We did not control our staff. We did not control our budget. At that time, Lexington did.

The Southern Legislative Conference Executive Committee adopted a motion in Louisville, offered by Speaker Tom Murphy of Georgia and Speaker Ned McWherter of Tennessee. It said: "We move that the Council of State Governments be put on notice that we like the way we've been running the Southern Legislative Conference and that if we want more assistance, we'll ask for it; and until we do, leave us alone." Despite this, Mr. Osborne was dismissed on August 16.

I called a special meeting of the SLC Executive Committee. The Committee met in Atlanta on September 10, with Vice Chairman O'Brien presiding since the doctor would not let me travel. As most of you know, the Committee voted to seek to amend CSG's Articles of Organization to provide that our Southern Region would control our staff and budget. These proposals were offered by Speaker Murphy of Georgia. Also, we took action to keep Mr. Osborne's services available to us, naming him to the position of Special Assistant to the SLC Chairman, to be paid from our SLC treasury.

As most of you know, the Southern Office for many years has served as staff for both the Southern Legislative Conference and the Southern Governor's Association. At the time of his dismissal, Mr. Osborne was Secretary of both SLC and SGA. But there is an important difference—the Southern Governors' Association is a regional organization staffed and funded by CSG, while the SLC is "the Southern Legislative Conference of the Council of State Governments."

The Southern Governors' Association held its 1979 annual meeting at the end of September, some two weeks after our Executive Committee's special meeting in Atlanta. SGA amended its Rules, to eliminate the designation of CSG as its staff agency. It was not to "close the door" against possible future staffing by CSG's Southern Office, but was to give SGA flexibility in deciding its staffing.

Then, in October, Governor John Dalton of Virginia, SGA Chairman, expressed an interest in continuing a close relationship with SLC, independent of CSG or within an autonomous CSG Southern Office. In response to SGA's request, we permitted Mr. Osborne to provide limited staff assistance to the Southern Governors' Association last fall and early this year.

Early in November, I met with the CSG Evaluation Committee in Austin, Texas. It was not a pleasant experience. I felt that Mr. Page was being considered innocent until proven guilty, while the Southern Legislative Conference was being considered guilty unless it could prove its innocence.

When CSG's 1979 Governing Board meeting convened on November 16, it was the South against the rest of the country. We did not win everything at that meeting in Lexington. But we won a great deal. We achieved great gains for the Southern Region—for all regions—in control of staff and in control of budget.

Specifically, control of all region office staff except the office director was removed from the CSG Executive Director and placed under each regional legislative conference. Also, for the first time, the SLC gained control over the Southern Office's budget, including how we spend the funds approved for the Southern Office by CSG's Governing Board. We were able to prevent adoption of 1980-81 budget that would have been totally unfair to the Southern Region. And we were able to have CSG start the new budget process immediately.

By the time the CSG Executive Committee met in February, the Western Region was standing shoulder-to-shoulder with our Southern Region. Unfortunately, the Midwestern Region and the Eastern Region had more people at that meeting, and we lost on a couple of key votes.

A special meeting of the CSG Governing Board was held on May 16-17 in Kansas City. We were relatively pleased with the budget approved for the Southern Region in 1980-81. We were disappointed that the East and the Midwest had more people present, so that they were able to out-vote the South and the West in increasing CSG's dues by 10.2 percent. We felt no increase should have been approved, at least not until other issues were resolved. Each state's leadership will have to decide whether that state pays a dues increase for this year.

Following that meeting, Mr. Page resigned as CSG Executive Director. He left at the end of June. At this time, Frank Bailey is serving as Acting Executive Director.

A CSG Selection Committee for a new director has been formed. I named Speaker John Miller of Arkansas to this committee. Speaker Bill Clayton of Texas also serves on it as an appointee of Senator Ocasck. I am told that the committee expects to make a recommendation to the CSG Executive Committee on September 21.

Another national CSG committee has been named—this one to consider changes in CSG's structure and operation. It is chaired by Senate President Ross Doyen of Kansas. I have named four members to it—Senator Render Hill of Georgia, Representative Kenneth Williams of Mississippi, Speaker Clayton, and Representative Bragg. The committee's first meeting will be late in September.

Last fall, a committee was named to revise CSG's Articles of Organization. Earlier this year, I was named chairman of this Committee. We are at work now. This committee and Senator Doyen's Committee will report at the 1980 CSG Governing Board meeting, to be held December 11-13 in Las Vegas, Nevada. We welcome any of your suggestions.

Next, let me complete the update on our Southern Office staffing.

Last November at the CSG Governing Board meeting, we were unable to obtain autonomy regarding our Southern Office director. We were able to remove total control from the CSG Executive Director. A compromise was reached, as follows.

A regional office director shall be selected and discharged in each of the regions upon the recommendation of the CSG Executive Director and by the majority vote of a five-member committee. That five-member committee shall consist of three members appointed by the chairman of the regional conference, the CSG chairman, and the CSG vice chairman. An alternative procedure permits this action to be taken upon the unanimous vote of this five-member committee without the recommendation of the CSG Executive Director.

Following last November's meeting, I appointed Speaker Murphy of Georgia, and Speaker Newman of Mississippi and myself. By virtue of their office, the other two members are Senate President Oliver Ocasck of Ohio, CSG Chairman, and Representative Bill Grannell of Oregon, CSG Vice Chairman.

Mr. Page provided us with a group of resumes, from people who had applied for the Southern Office director position early last fall. Mr. Page notified us that he would not recommend Mr. Osborne be re-employed.

However, the three members from the Southern Legislative Conference voted to re-employ Bill Osborne. And early in January, Representative Grannell of Oregon notified me that he favored Mr. Osborne's return, since that was what the South wanted.

For almost two months, Senator Ocasck declined to vote. Then, at the CSG Executive meeting in February, he voted in the negative on Mr. Osborne's return.

In February, CSG's Executive Committee authorized a special allocation for the Southern Governors' Association for the balance of the 1979-80 fiscal year. The Southern Legislative Conference had requested this allocation for SGA, to encourage that group to remain part of the Southern Office operation.

Three days later, Governor Dalton appointed Bill Osborne as Acting Staff Director of the Southern Governors' Association, to be paid from this special allocation. In June, SGA named Bill as its regular staff director, and he returned to the Southern Office payroll on June 16. To ensure that good working relations exist between SLC and SGA, Bill has been available to provide some assistance to us.

When the SGA position was offered to Bill Osborne, he asked me what he should do. I told Bill that under the present circumstances, I recommended that he accept the SGA position.

Bill and I have been friends for several years, and I appreciate his dedicated service to our Southern Legislative Conference. Also, I expect him to continue to be of assistance to SLC in some capacity in the months and years ahead. Bill, thank you for your service to me and this organization.

Now, let me say a word to and about the rest of the Southern Office staff. Our staff was placed in a very difficult situation last fall, as each of you can imagine.

I want to express special appreciation to Tom Richter, who helped hold things together last fall and who has served as Acting Director of the office since last December. Tom has done an excellent job.

Four other staff members have ridden out the storm since last August—field representative Gould Hagler, office manager Carol Camp, and secretaries Carol Martin and Diane Burrus. We've added three staff members in 1980—field representatives Camille Robinson and Charles Williams, and secretary Barbara Porth.

Finally, let me complete the updating of our financial situation.

Under the new dues schedule—which we opposed—our region's dues total \$780,000. Our budget has been increased more than \$59,000—up to \$284,431. This will mean that 36 percent of our dues will return to our Southern Office; however, national CSG will keep 64 percent. By contrast, each other region keeps 43 percent of its dues.

We believe each region should keep at least 50 percent of its dues. Hopefully, that can be achieved. And I would predict a 50-50 split for the next fiscal year. There is increasing realization in the other regions that there should be equality in the allocation of funds. If the 50-50 split is not realized for the next fiscal year, at the least we expect a consistent level of funding—so if the other three regions receive 43 percent, we'll receive 43 percent—and not 7 percent less, as is the case at this time.

Last September, the SLC Executive Committee voted to create a Budget Committee. I appointed Representative O'Brien of Kentucky as chairman. Other members are Senator Gainer, Representative Bragg, myself, and Senate President Pro Tem Ed Willey of Virginia. With involvement by representatives of the Southern Governors' Association, this committee plans and oversees the budgeting and spending of the Southern Office.

Let me make one final fiscal comment. As I reported, Mr. Osborne was placed on a special SLC payroll last October. He remained on that payroll until March, when he began to be paid from the special allocation we secured for the Southern Governors' Association. Under changes initiated as a result of our efforts to alter CSG's Articles, our Southern Office was able to reimburse our special Southern Legislative Conference bank account for every dollar we paid to Mr. Osborne between October and March.

Let me conclude my Chairman's Report by making these observations.

The National Council of State Governments must make some additional changes in order to survive as a meaningful organization. These changes must include removal of the remaining shackles that national CSG has over the Southern Office, as well as fairness in the allocation of the CSG dues.

We need to be patient for a while longer. CSG's new chairman will be Representative Grannell of Oregon. Philosophically, his views parallel our views. The new vice chairman is supposed to be from the Southern Region. That will be a powerful team, attuned to the positions we took a year ago.

We have made a lot of progress. Now, I know many of you were disappointed that we did not achieve everything we wanted last November. And we lost on the dues increase in May. But we gained a great deal. We've made more progress on behalf of the regions during the past year than in the previous 15 years combined.

The Southern Legislative Conference has a place in our hearts. It also has a place in the sun. We must remember that this is our organization, and we must sustain it and make sure it prospers.

I have enjoyed this year, with the many challenges we have faced.

I shall always be deeply grateful to all of you for my year as Chairman of the Southern Legislative Conference.
